

RACING WORDS

MOTORSPORTS MULTI-LINGUAL DICTIONARY

English - French - German - Italian - Spanish - Portuguese - Japanese

An **indispensable tool** for all motor racing professionals, students and fans to understand and communicate in a foreign language.

THE reference for translations of technical terms, expressions and jargon commonly used in the field of all types of motor sport - cars and bikes alike - this **easy to use dictionary** also includes entries covering motorsport associated activities, such as the Media, Information Technology, Hospitality, the Weather, Travel, Insurance and First Aid.

A publication that every foreign car and motor racing enthusiast **should have** in their reference library.

A TRULY UNIQUE PUBLICATION!

3rd edition fully revised including:

- 70,000 terms and expressions
- 2,000 abbreviations and acronyms
- An index for each of the seven languages
- F1, GT, NASCAR, Rally, Bikes, Truck
- 22 themed chapters
- 1,020 pages in colour
- conversions tables
- richly illustrated
- book-mark
- glossy soft-bound cover

ISBN: 978-2-9511426-4-0
